Best Kept Village: Tubdate

With judging scheduled for 23rd June, the BKV team have done everything they can to make the village look every bit of the winner it deserves to be. Whilst we eagerly await the result, a huge thank you goes to Christine, Anne, Helen, Anne Sambrook and Cheryl for their time and dedication. The team have also received some fantastic support from Pete, Len and Simon to name but a few.

From our first courgette, dwarf beans and tomato beds in the newly created vegetable garden, to beautiful hanging baskets that adorn the signposts, the bus shelter and the entrance to the Jubilee Hall as well as several tubs filled with a colourful array of gorgeous flowers.

Just look at what has been created.....

The passion for the village has shown through, whether it be Bernard and Richard clearing the kerbs of weeds, the grass verges being cut to provide a floral gateway into the village, (huge thank you to Pete Clifton), or our community with the manicured frontages that are now on display.

Winning the title this year would be a just reward for the fantastic effort that the team have put into making the village look so incredible. But it will be the legacy that will continue for many years after the competition has ended

The CECA Team Need You!

YOUR VILLAGE NEEDS YOU!

Can You Help Shape the Future of CECA? Childs Ercall Community Association (CECA) exists to bring our village together – through events, activities and celebrations held in Jubilee Hall. CECA is run by the community, for the community. But to keep it going, we need your help.

We're looking for volunteers to join the team that run CECA. This isn't a big-time commitment – just a willingness to get involved. If you'd like to know more, without any obligation, please drop us an email at childsercallca@gmail.com. Let's keep Jubilee Hall

buzzing and ensure CECA continues to thrive for everyone in Childs Ercall.
